

## QA ANALYST (M/F)

---

**Cellaion SA** is a global innovator in liver therapeutics whose mission is to bring life-saving treatments to reduce the need for liver transplantation. Our lead clinical program, derived from our patented cell technology platform HepaStem®, is designed to benefit from its immune-modulatory and anti-fibrotic properties.

We are currently hiring a **QA Analyst**

### **YOUR RESPONSIBILITIES:**

- Writing of general quality system procedures to support business objectives and comply with regulatory requirements for clinical, production, logistics, QA and QC activities.
- Review and evaluate production batch and QC files (batch records, certificates of analysis and compliance, etc.) prior to the release of clinical batches.
- Manage and update quality assurance system documents.
- Participate in the process of releasing incoming materials.
- Archiving of quality system documents.
- Participate in internal and external audit activities.
- Complete continuous improvement tools (Deviations, OOS, CAPA, Complaints).
- Participation in the process of reception/ qualification/ validation of equipment.
- Compliance with GMP, GDP, GCP and GLP rules (Deviations, OOS, CAPA, Complaints).
- Perform and monitor any other task required to ensure the continuity of the quality assurance process, and on time.

### **YOUR PROFILE:**

- Bachelor's degree in (Life) Sciences 2-3 years of experience in a similar position in Pharma/Biotech, preferably in Cell or Gene Therapy.
- Fluent in French and English.
- Flexible and quality oriented.
- Rigor and respect for procedures, analytical mind.
- Good knowledge of GMP guidelines. Knowledge of GCP guidance is a plus.

If you want to join our team, you may apply for this position by sending your CV and application to [hr@cellaion.com](mailto:hr@cellaion.com).

*For information, resumes and application letters received will be retained as long as the employment's offer is valid and will be destroyed as soon as the position is filled. We will contact you in case we wish to keep your CV after the recruitment period.*
